WOMEN KNOW FIRSTHAND
THAT IT'S IN OUR HANDS.

JOIN US. Where we go for our screening mammogram matters because we know that early detection matters. And who reads our mammogram matters: Everyone reading and interpreting BayCare's mammograms are board-certified radiologists who, along with our certified technologists, provide you with a gentle, caring experience. So join us, the 88,331 women in Tampa Bay who agree that fighting breast cancer is in our hands. It's easy to make a screening mammogram appointment at one of our 20 locations—just go to [ItsInOurHands.org](https://www.ItsInOurHands.org) or call (855) 269-4333.
