

BREAST DIAGNOSTIC AND SCREENING CENTERS

Breast Diagnostic Center North

At our Breast Diagnostic and Screening Centers, our patient focus is to work closely with your family physician and other medical professionals, so we know as much about you and your symptoms as possible.

SERVICES PROVIDED

3D SCREENING MAMMOGRAPHY

DIAGNOSTIC MAMMOGRAPHY

BREAST ULTRASOUND

BREAST BIOPSY

BREAST MRI

BONE DENSITY TESTING

X-RAY

We use state-of-the-art diagnostic equipment operated by certified mammography technologists, and all images are read by a board-certified radiologist who specializes in mammography. We treat every

patient like family, and we go out of our way to provide every patient with an exceptional patient experience. We offer same-day walk-in screening mammography, same-day results, extended hours, and convenient locations.

Please call 317-806-8265 to schedule an appointment.
