

BODY + SOUL

We also treat the human spirit.®

As a wife of 42 years and the mother to three boys, Kathy is the backbone of her family. When she was diagnosed with breast cancer, she worried that would change. But at Loyola Medicine, family is a key part of the treatment discussion. In one visit, at one location, Kathy and her husband learned about her care plan and met her multidisciplinary team. Now retired and cancer-free, Kathy is eager to make the most of her time with friends and family.

YOU'RE NOT ALONE AT LOYOLA MEDICINE.
