

THERE'S THIS PLACE *where* WE LEAVE THE RUSHING TO OUR RIVERS

DESTINATION
Missoula
MONTANA

Three rivers and seven wilderness areas meet in Missoula, Montana, a small town with big personality and unbeatable outdoor recreation. A place where you'll find murals downtown and mountains in the distance, and "easy access" is an understatement when it comes to nature. The kind of place where we float rivers by day and sip beer flights by night—and don't even get us started on the food scene (spoiler, it's incredible).
