

EVERY WOMAN
SHOULD GET
SCREENED.

Breast cancer is the second leading cause of death among women, and 1 in 8 women will be diagnosed with breast cancer in her lifetime. But UPMC Hillman Cancer Center and UPMC Magee-Womens Hospital are working to beat breast cancer. Our nationally renowned experts offer personalized therapies, access to breast cancer trials, and advanced imaging technology, like 3D mammograms, which were pioneered at Magee. Early detection saves lives, so every woman should schedule her screening today.
