Senior Living Community partners with Hayes Barton Baptist Church to expand programming and foster community engagement.

To help seniors and church members stay active and fit, the newly opened Waltonwood Lake Boone is partnering with Hayes Barton Baptist Church to host monthly fitness classes. The senior living community knows the importance of community involvement, and with several residents being members of the church, this ongoing partnership is a perfect fit.

"My husband Maurice and I have been members at Hayes Barton Baptist Church for more than 50 years, and we were among the first residents to put a deposit down at Waltonwood Lake Boone," says Nancy Cook, resident. "The senior living community's partnership with the church is fantastic, and it is wonderful that the community is building a relationship with the church and its members. The staff at Hayes Barton Baptist Church is very caring and accommodating, and we are pleased to be members. The same can be said about the associates at Waltonwood Lake Boone. They are friendly and have helped me and my husband make the transition to our new home easy."

The classes will be led by Forever Fit Manager Anthony "Tony" Beaudry. The 25-year-old is using his experience as a former Air Force firefighter and his passion for ensuring seniors stay active in teaching the classes. He also incorporates the motivational skills he learned in

the military into each class.

"The fitness class is something I think many people enjoy," says Cook. "It really gives people of all ages the opportunity to be part of a group activity as well as keeping them physically fit. Hayes Barton offers many excellent programs, and the fitness class led by Tony is an excellent addition."

"We couldn't think of a better organization to partner with than Hayes Barton Baptist Church," says Allison O'Shea, Executive Director at Waltonwood Lake Boone. "We are excited to grow our partnership by sponsoring future events at the church as well as hosting events at the senior living community. We look forward to welcoming future church members as residents and providing a home that makes retirement living enjoyable and comfortable."

"The location is right in the heart of Raleigh and is close to shops, doctors' offices, and restaurants," says Cook. "Maurice and I have lived in this area for 52 years, and we didn't want to leave.
