

Are you Embarrassed to Smile? Do you suffer with Loose Dentures? Are you Missing Teeth?

YOU can be YOU Again with Affordable Shatkin Mini Dental Implants!

Dr. Todd Shatkin's patented procedure for replacing one or multiple teeth in one visit has been used world-wide for the last 15 years. Dr. Shatkin has trained over 30,000 dentists on the procedure and has personally placed over 35,000 Mini Dental Implants to date. Dr. Todd Shatkin is considered one of the world's experts on Mini Dental Implants and his office is located right here in Amherst, NY!

For those who have missing teeth, smiling in photos may feel embarrassing. Coupled with an inability to eat the foods you love or speak normally, less-than-perfect grins often result in a decreased quality of life. For years the only way to improve these smiles were uncomfortable, removable Dentures or the expensive, old style conventional dental implants that take 8-12 months to complete and involved many surgeries.

Replace your missing teeth or stabilize your loose denture in Less than an hour with Shatkin Mini Dental Implants!

Mini Dental Implants have revolutionized the dental implant world for the last 20 years. They are proven to have a similar success rate, 96%, as the conventional dental implant! When asked about the differences between the two, Dr Shatkin said. The mini dental implant is 5 times less: They are less Invasive, less painful, involve less healing time, less visits to the dentist office and the cost is less than half of the conventional implants. Mini Dental Implants are the perfect fit for patients desiring strong and natural looking teeth without the cost or hassle of the most invasive surgical options

Let Dr. Todd Shatkin and his experienced team of dentists change your life by giving you your smile back.
