

**THERE ARE 525,600  
MINUTES IN A YEAR.  
30 OF THEM COULD  
SAVE YOUR LIFE.**

**IT'S TIME TO GET YOUR NEXT MAMMOGRAM SCHEDULED.**

One mammogram a year is all it takes to stop breast cancer in its tracks and improve the odds of beating it. That's why Dartmouth and Dartmouth-Hitchcock's Norris Cotton Cancer Center deliver the most personalized, compassionate and advanced care available, from screening to treatment. As the only National Cancer Institute (NCI) Designated Comprehensive Cancer Center in New Hampshire, we offer the latest technology and groundbreaking research. **Don't delay—get screened today.**

**Schedule your screening at [cancer.dartmouth.edu/breast](https://cancer.dartmouth.edu/breast)**
