

For over 45 years, we've delivered quality Home Health and Hospice care to Mississippi seniors... taking care of patients, just as we would our own loved ones.

AccentCare® (previously known as Sta-Home) continues to advance the standards for healthcare, as well as the care experience for patients, families, and our employees. Care team members, who live and work in your community, are passionately committed to delivering industry-leading care along with genuine human kindness.

AccentCare Home Health & Hospice... reimagining care.
