

A full-page background image showing a person in a high-altitude mountaineering suit standing on a snowy mountain peak. The person is wearing a red and black jacket, yellow and black pants, and a helmet with goggles. A long white flag is attached to their gear and is blowing in the wind. In the foreground, there are many colorful prayer flags (red, yellow, blue, green, white) tied to a pole. The background shows a vast, snowy mountain range under a clear blue sky.

This is what cutting-edge cancer care looks like.
