

Comprehensive Care for Your Child's Mental Health

Since 1984, Southwood has been the region's only behavioral health hospital solely focused on treating children and adolescents. We offer specialized care for every stage of your child's journey:

- **Acute inpatient care:**
Immediate, intensive treatment for crises
- **Residential treatment:**
Ongoing support for those needing extended care
- **Community-based services:**
Helping children heal at home & in their communities
- **Educational services:**
Integrated learning with therapeutic care

Our team provides compassionate, personalized treatment, helping your child grow, heal, and thrive.

Let Southwood be your trusted partner in your child's care.
Every child has the potential to grow, and we're here to help them discover it.
