## PROVIDING LIFE-CHANGING CARE FOR WOMEN

At Timberline Knolls, we recognize that women and girls face unique challenges when they are struggling with eating disorders, the effects of trauma, addictions, and other mental health concerns. We believe that everyone deserves to receive the highest quality of care, provided in a supportive environment. True healing stems from empowering ownership of one's recovery journey, and we are dedicated to delivering holistic treatment that promotes healing of the mind, body, and spirit.
